World's Series, I got in some
trouble I hit a boy on the
arm with a pool ball and it

to get me out. I paid him \$15.00
back and now he thinks I'll
soon be leaving so he is wanting

They are building on a stadium,
I think they are building it
to play football in so they can
have the other one to play base-
ball in. The people would like
for us to train in Daytona,
but the Kansas City Monarchs
are going to train there. Dr.
Slack told me.

I saw in the paper where
Wells, Day and Dandridge will
be back with the club.
